

Guide Thematic Units

Teach your students crucial end-time truths with *Guide*'s thematic units. These thematic units, developed with the help of Adventist educators, give you the resources you need to engage kids on key doctrinal topics.

Each thematic unit issue pack contains:

- 10 copies of *Guide* magazine special “flip” issue on the topic, containing true stories and fascinating facts.
- Teacher’s guide with integrated curriculum activities for students ages 9-14.
- Student worksheet highlighting key concepts that students should learn. (Worksheet can be photocopied.)

Single copies of each magazine are also available for classrooms with more than 10 students.

Use the links below to find more details, including ordering information. You can order *Guide* thematic units online or through your Adventist Book Center (1-800-765-6955).
