

AUTOGRAPH PARTY

You'll be given 10 minutes to get acquainted with your classmates in an unusual way. First, review the questions below.

When all the class members are ready, you are to find a classmate who has completed any one of the task. Your job is to get at least 20 autographs in 10 minutes.

There are two catches. First you can only collect one autograph per person. Second, the person who signs their autograph must be willing to prove they can or have completed the activity named in the question. Go for it!
